### Real payment experiences of the last 24 months

Do you have any payment references to share about **this** company or person?  
 Join for free our trade pool called **DunTrade & ConsumerTrade** that grows each year about more than 30 (!) million payment references. Payment references are particular and **highly predictive** early warning indicators and are part of our scorecard. Please [find out](#) what benefits you will **additionally** get in in participating in our trade pool.

Bisnode **undeniably pioneers** the collection of payment references on the **Swiss market**. We therefore really understand how companies and private individuals pay their invoices. That's exactly what you need to know to be able to do good business: **Do** I get my money and **when** will I get it? Let's have a look at our payment reference studies [here](#).

### Official debt enforcement extract

Checked on **04.07.2017** at **Urdorf**.
